	ant or Patentee: John A. Salon, et al. Attorney's
serial	or Patent No.: Not Yet Known Docket No.: 57453-C/JP
	or Issued: <u>Herewith</u>
Title	of Invention or Patent: DNA Encoding a Human Melanin Concentrating
	Hormone Receptor (MCH1) and Uses Thereof
	VERIFIED STATEMENT (DECLARATION) CLAIMING SMALL ENTITY STATUS UNDER 37 C.F.R. §1.9(f) AND §1.27(d) - SMALL BUSINESS CONCERN
I here	by declare that I am:
	the owner of the small business concern identified below.
<u>X</u>	an official of the small business concern empowered to act on behalf of the concern identified below:
Name o	f Concern: Synaptic Pharmaceutical Corporation
Addres	of Concern: 215 College Road
	Paramus, New Jersey 07652-1431, U.S.A.
small   \$1.9(d) that th not exc	by declare that the above identified small business concern qualifies as a pusiness concern as defined in 13 C.F.R. §121.3-18, reproduced in 37 C.F.R. §1, for purposes of paying reduced fees under 35 U.S.C. §41(a) and §41(b), in the number of employees of the concern, including those of its affiliates, does need five hundred (500) persons. For purposes of this verified statement, the
fiscal part-t: concern concern control I hereh with the entitle DNA Ene	coding a Human Melanin Concentrating Hormone Receptor (MCH1) and Uses Thereofoed in:  the specification filed herewith
fiscal part-t: concern concern control I hereh with the entitle DNA Ene	year, of the persons employed by the business concern on a full-time, ime, or temporary basis during each pay period of the fiscal year, and as are affiliates of each other when, either directly or indirectly, one a controls or has power to control the other, or a third party or parties as or has power to control both.  By declare that rights under contract or law have been conveyed to and remain the small business concern identified above with regard to the invention and coding a Human Melanin Concentrating Hormone Receptor (MCH1) and Uses Thereofoed in:  the specification filed herewith
fiscal part-t: concern concern control I hereh with the entitle DNA Ene	year, of the persons employed by the business concern on a full-time, ime, or temporary basis during each pay period of the fiscal year, and as are affiliates of each other when, either directly or indirectly, one a controls or has power to control the other, or a third party or parties as or has power to control both.  By declare that rights under contract or law have been conveyed to and remain the small business concern identified above with regard to the invention and coding a Human Melanin Concentrating Hormone Receptor (MCHI) and Uses Thereofoed in:
I herek with the each in below inventor and the content of the con	year, of the persons employed by the business concern on a full-time, ime, or temporary basis during each pay period of the fiscal year, and as are affiliates of each other when, either directly or indirectly, one a controls or has power to control the other, or a third party or parties as or has power to control both.  By declare that rights under contract or law have been conveyed to and remain the small business concern identified above with regard to the invention and coding a Human Melanin Concentrating Hormone Receptor (MCH1) and Uses Thereoford in:  The specification filed herewith
I herek with the each in below inventors of the control of the con	year, of the persons employed by the business concern on a full-time, time, or temporary basis during each pay period of the fiscal year, and its are affiliates of each other when, either directly or indirectly, one is controls or has power to control the other, or a third party or parties its or has power to control both.  By declare that rights under contract or law have been conveyed to and remain the small business concern identified above with regard to the invention and the small business concern identified above with regard to the invention and the specification filed herewith application serial no.  The specification filed herewith application serial no.  The specification of the above identified small business concern are not exclusive, dividual, concern or organization having rights to the invention is listed and no rights to the invention are held by any person, other than the or, who could not qualify as an independent inventor under 37 C.F.R. §1.9(c)*, never which could not qualify as a small business concern under 37 \$1.9(d)* or as a nonprofit organization under 37 C.F.R. §1.9(e)*.
fiscal part-t: concers concers control I heres with the entitle  DNA End describ  X  If the each in below invento any co C.F.R.	year, of the persons employed by the business concern on a full-time, ime, or temporary basis during each pay period of the fiscal year, and is are affiliates of each other when, either directly or indirectly, one is controls or has power to control the other, or a third party or parties is or has power to control both.  By declare that rights under contract or law have been conveyed to and remain the small business concern identified above with regard to the invention the declare that rights under contracting Hormone Receptor (MCHI) and Uses Thereofted in:  The specification filed herewith application serial no.  The specification filed herewith application serial no.  The specification filed by the above identified small business concern are not exclusive, dividual, concern or organization having rights to the invention is listed and no rights to the invention are held by any person, other than the for, who could not qualify as an independent inventor under 37 C.F.R. §1.9 (c)*, never which could not qualify as a small business concern under 37
fiscal part-t: concers concers control I heres with the entitle  DNA End describ  X  If the each in below invento any co C.F.R.	year, of the persons employed by the business concern on a full-time, the content of the persons during each pay period of the fiscal year, and is are affiliates of each other when, either directly or indirectly, one is controls or has power to control the other, or a third party or parties is or has power to control both.  By declare that rights under contract or law have been conveyed to and remain the small business concern identified above with regard to the invention and the small business concern identified above with regard to the invention and including a Human Melanin Concentrating Hormone Receptor (MCHI) and Uses Thereof and in:  the specification filed herewith application serial no.  patent no.  filed  prights held by the above identified small business concern are not exclusive, dividual, concern or organization having rights to the invention is listed and no rights to the invention are held by any person, other than the for, who could not qualify as an independent inventor under 37 C.F.R. §1.9(c)*, never which could not qualify as a small business concern under 37 \$1.9(d)* or as a nonprofit organization under 37 C.F.R. §1.9(e)*.

organization having rights to the invention averring to their status as small entities. 37 C.F.R.  $\S1.27$ .

<sup>\*</sup>See Reverse

I acknowledge the duty to file, in this application or patent, notification of any change in status resulting in loss of entitlement to small entity status prior to paying, or at the time of paying, the earliest of the issue fee or any maintenance fee due after the date on which status as a small entity is no longer appropriate. 37 C.F.R. \$1.28(b)\*.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under 18 U.S.C. §1001, and that such willful false statements may jeopardize the validity of the application, any patent issuing thereon, or any patent to which this verified statement is directed.
